First, my apologies for missing our August meeting!

HUGE Thank you to Monica for stepping in to teach the class. So appreciated!!! I hope all were happy with their piece!

Just to tell you all how valuable you all are, and how happy I am with being a member of SDP to have the opportunities to make friends...I would like to share an experience I had at the SDP convention this year.

Mert and I had gone down to breakfast, where we were approached by two smiling painter ladies! They asked if they could join us. (I have met SOOO many wonderful, interesting ladies by saying yes, I did not hesitate). So, as we were sitting there...all of a sudden, their personalities changed. Not in a good way. They were so negative, about everything and everyone. SHOCKING! Not one nice thing to say. I am NOT a one to hang around negative people, or trouble makers. It is too contagious, and NOT fun. So Mert took the initiative and stood up, and we excused ourselves. Such an awful experience. We spent our time avoiding these two...lol. Yes, there IS a point to this comment.

It made me realize what a special group of friends we are. We share each other's experiences good and bad. Always there for each other--helping with projects, sharing our supplies and ready to laugh at all times. Part of me is glad I met them, as it makes me appreciate you all, and those I meet at the conventions that are kind, happy, sharing and just plain NICE!

I want you to know how GRATEFUL I am for SDP and Tugboat Tolerers for all the friends, across the miles you have introduced me to.

I am sorry that Barb's class will be ZOOM only....(recorded so you will have the chance to finish if you need it). The church needed the space for a memorial. Our options were to change days or ZOOM. Our choice was to try to have as few changes to our dates as possible! It is a really NICE pattern, and I am looking forward to it!!

Having missed the meeting, I am hoping that the need for help on the coming years board was discussed? We do have people who volunteered for Pres, VP, Treasurer, Membership, and Newsletter. But we NEED a Secretary....There are only (usually) 6 meetings a year. Please? Since most (if not all) of our meetings are recorded so IF you cannot make it...it will be possible to take the notes from the recording.

~~~Helen

HAPPY FALL YA'LL!!

I am looking forward to another class with Barb! It's cute and rumor has it she may be submitting a Spring pattern to teach next year!! Are you getting your patterns together for next year? You know our calendar is open so get on it! We will be looking at your submissions in October.. time is short! Especially since we can't get together until then!

I want to say "Ditto" to Helen's words of encouragement to our group! Being in different chapters, classes and groups. TBT's is by far the best!

Education has some great Seminars lined up and as you know those are our best Fund Raisers! While some may test my skills, they are all awesome! I can't wait!

### WAYS N MEANS

I just had a craft day and painted rocks with Pinewood seniors. I have a project sheet that shows very few techniques; Whether it's two or 5, they all like to paint but the brushes take a beating. It's a good thing I can order some from Scharff to keep them going!

Don't forget to use our discount to get your brushes while we can!

Way too many of our painting go-to business are closing, we do not know how long this will last!

Contact Patti Peterson for more information!!
