Hello All~

What a crazy weather month we have experienced!!!! Sun, Rain, Hail, Wind and SNOW! Sometimes all in one day! Hopefully, now that April is over, we can go on to a beautiful May full of flowers and some SUN!

Thank you, Nancy Walch, for your class on the Austrian Box. I loved the different surfaces used, and the fact you took time to explain stroke work. Barb finished hers (On a Mirror), and it is pictured in this newsletter.

Thank you, Georgia, for arranging the Sandy LeFlore class. Actually, finished all but line work IN CLASS!!! TWO pieces.

Please, anyone with some painted "signs" for our senior residents can either bring them to the meeting....or meet me and I will be happy to arrange to pick them up. Anyone wanting surfaces to paint them on, I will be happy to give you. We would like more (we have a dozen) so everyone interested could pick one. Thank you.

Helen

Hello from the VP!

What a month! I was blessed to be able to head to Ohio to finally meet my newest Grandbabies! Oh, it was so hard to leave.

Huge thanks to Jane Smith for the help in keeping the doors to my office open. She and Elaine Miller split the days and I am so appreciative!

Got to snug the littles in Blankets crocheted by Karen Plank... mommy and babies loved them.

I love how our painting group has become our safe village where we help each other in times of need, great or small. We are truly blessed!

Please be sure to sign up for May's class with Helen Wyrich. There is a bit of prep work, so don't hesitate! Following in June is Georgia Magarrell with 'Baby, it's Cold Outside'. Check the website for how she used the same pattern on different surfaces!

Sorry I missed Sandy LeFlore, but well.. I was snuggling the babies 😊

Hello everyone, who would like to be Hostess for June? You just need to pick a theme, or main dish and others can add to it?

May we will have sliders....provided by Rita and Mert. So salad? Chips? Fruit? Dessert? Just bring something to accompany the main dish.

As a member of Puget Sound Tugboat Toler you can get a real bargain on quality brushes as well as raise funds for the club. Scharff Brushes has a website where you can find the price for great brushes to suit any painting project for 50% off the list price (no special sales apply).

Here's the process to get in on this bargain:

1. Visit the Scharff Brush site at artbrush.com. *You don't need to open an account because if you order through the club we have one.*
2. Review the brush selection and identify the ones you would like to order.
3. Write down the Series number, size and quantity for each brush.
4. Prepare an email and enter your shopping list.
5. Send email to the Ways & Means Chairperson, Patti Peterson, at pjpatti03@wavecable.com.
Please use "TT Brush Order" in the subject line and identify your phone number, and date needed in the email text body.

THEN:

1. You will receive a confirming email from Patti including any questions on your order, the cost based on your order from the current Scharff price list, and any applicable shipping costs.
2. No money is required until the order is received; we will send you an email when it gets here.
3. Please note that if you require the brush order to be sent to you, it will require your payment if the postage from Port Orchard to the address you designate.

EVERY ORDER EARNS THE CLUB 20% OF THE BRUSH PRICE! We hope you enjoy this opportunity to freshen up your studio tools and to contribute to the club. We recently had a sale of brushes to two members that netted us more than \$25! Thanks for your support and have a great time painting!"

Treasurer's Report

March 2022 - Columbia Bank

PLEASE, when signing up for a class. If it is a chapter class, you need to be sure to give your monies to the VP (Monica this year) or seminar give it to education (Georgia this year) so they can either issue you a receipt, or you can mail them the form that is in the newsletter that would be awesome. We need a paper trail. If you give me the monies and just say "this is for April's class" it may get mixed up with other paperwork and there would be no way to know who it is FOR or who it is FROM. **Thank you!**
